# Pratham Khand - Antim Pakad bhi Chhodni Hai

---

## Pichhle adhyay se aage: ab shabdon se bhi halka hona hai

Ab tak ki yatra mein saadhak bahut door aa chuka hai.

Usne sharir ko dekha.

Mann ko dekha.

Anubhavkarta ko pehchana.

Sakshi-bhav ki taraf lautna seekha.

Maya aur jagat ki prakriti dekhi.

Ahankar ki paratein samjhin.

Neti-neti se galat pehchaan ko halka kiya.

Mahavakyas ko suna.

Turiya ki disha samjhi.

Aur agyeya ki us sukshma baat ko bhi chhua - jise mann vastu ki tarah pakad nahi sakta, kyunki wahi sab jaanne ka aadhar hai.

Ab antim adhyay mein ek bahut komal, lekin bahut zaroori mod aata hai.

Saadhak ne ab tak jin shabdon ka sahara liya, ab unhe bhi sahi jagah par rakhna hai.

Sakshi shabd upyogi tha.

Atma shabd upyogi tha.

Brahman shabd upyogi tha.

Maya, Ahankar, Neti-neti, Turiya - ye sab shabd marg ke sanket the.

Lekin sanket ko manzil mat bana lena.

Naksha rasta dikhata hai, par naksha manzil nahi hota.

Naav nadi paar karne mein sahayak hoti hai, par kinare pahunchkar naav ko sir par utha kar nahi chalna padta.

Dawa bimari mein sahayak hoti hai, par swasth hone par dawa ko pehchaan nahi banaya jaata.

Isi tarah Nirvan Sutra ka har adhyay, har shabd, har abhyas saadhak ko bhitari lautane ke liye hai. Agar saadhak inhi shabdon ko pakad le aur kahe, "ab yahi meri pehchaan hai," to yatra phir ek nayi pakad ban jayegi.

Isliye antim adhyay ka bhav hai:

**Ab samajh ko bhi halka karna hai.**  
**Ab marg ko bhi sahi jagah deni hai.**  
**Ab Nirvan ki dharna se bhi mukt hona hai.**

## **Nirvan kya hai?**

Is course mein Nirvan ka arth kisi door ki alaukik ghatna se nahi hai. Yeh koi chamakdar anubhav nahi hai. Yeh koi vishesh avastha nahi hai jismein saadhak hamesha ke liye jam jaaye. Yeh koi spiritual title nahi hai.

Nirvan ka saral arth hai - galat pehchaan ki aag ka shaant hona.

Jab saadhak sharir-mann ko hi "main" maanta hai, bhitari lagatar pakad rehti hai.

Jab anubhavan ko antim satya maanta hai, bhitari khinchav rehti hai.

Jab Ahankar role, image aur kahani ko bachata hai, bhitari tanav rehti hai.

Jab sadhana bhi pehchaan ban jaati hai, bhitari sukshma bojh rehti hai.

Jab "mujhe gyaan hua" ya "mujhe Nirvan chahiye" bhi ek daava ban jaata hai, tab bhi pakad bani rehti hai.

Nirvan ki jhalak tab aati hai jab yeh pakad thodi dheeli hoti hai.

Yeh bujhna hai - jeevan ka nahi, galat pakad ka.

Yeh shaant hona hai - sharir ka nahi, pehchaan ki bechaini ka.

Yeh samaapt hona hai - anubhavan ka nahi, unse chipke hue "main" ke bojh ka.

Dhyan rahe, Nirvan ka arth jeevan chhodna nahi hai.

Nirvan ka arth hai - jeevan ko jhoothi pehchaan ki bhaari pakad ke bina dekhna.

Sharir rahega.

Mann chalega.

Bhavnayein uthenge.

Rishte rahenge.

Kaam rahega.

Duniya dikhegi.

Sadhana bhi chalegi.

Lekin bhitari dheere-dheere yeh spashtata hogi - "main in sab mein prakat anubhavan se bana hua seemit center nahi hoon."

Yahi Nirvan ki disha hai.

## Anubhavkarta ko sahi jagah dena

Ab Anubhavkarta ko bahut saavdhani se samajhna zaroori hai.

Anubhavkarta ko Ahankar ki tarah mat samjho. Anubhavkarta apne aap mein koi shatru nahi hai. Anubhavkarta anubhav ke level par woh center hai jahan anubhav "mera anubhav" ki tarah jaana jaata hai.

Jab sharir mein dard hota hai, koi kehta hai - "mujhe dard hai."

Jab mann mein dukh uthta hai, koi kehta hai - "mujhe dukh hai."

Jab anand aata hai, koi kehta hai - "mujhe anand hua."

Jab dhyan mein shanti aati hai, koi kehta hai - "mujhe shanti ka anubhav hua."

Yahi Anubhavkarta hai.

Vyavahar mein iski zaroorat hai. Sharir ko ilaaj chahiye to kehna padega - "mujhe dard hai." Koi baat samjhani ho to kehna padega - "maine yeh anubhav kiya." Jeevan mein samvad, seekh, sadhana aur upchar - in sab mein Anubhavkarta ki bhasha chalti hai.

Samasya Anubhavkarta ke hone mein nahi hai.

Samasya tab hoti hai jab Anubhavkarta anubhavon se antim pehchaan bana leta hai. Jab "mujhe dukh hua" badalkar "main dukh hi hoon" ban jaata hai. Jab "mujhe safalta mili" badalkar "main shreshth hoon" ban jaata hai. Jab "mujhe shanti ka anubhav hua" badalkar "main jag gaya hoon" ban jaata hai.

Yahin Ahankar judta hai.

Isliye spasht samjho:

**Anubhavkarta anubhav ka center hai.**

**Ahankar us anubhav se bani hui kathor pehchaan hai.**

Anubhavkarta keh sakta hai - "mujhe dukh ka anubhav hua."

Ahankar kehta hai - "mere dukh ki kahani hi main hoon."

Anubhavkarta keh sakta hai - "mujhe dhyan mein shanti mili."

Ahankar kehta hai - "meri sadhana vishesh hai."

Anubhavkarta keh sakta hai - "mujhe samajh ki jhalak mili."

Ahankar kehta hai - "main doosron se aage hoon."

Nirvan ki disha Anubhavkarta se yuddh nahi karti. Woh bas Anubhavkarta ko transparent banati hai. Anubhav hote hain, par unse kathor "main" nahi banta.

## Nirvan ko bhi anubhav mat banao

Ab sabse sukshma baat aati hai.

Saadhak aksar poochta hai - "Nirvan ka anubhav kaisa hoga?" Mann chahta hai koi fixed signal mile. Koi vishesh shanti, koi prakash, koi permanent anand, koi aisa anubhav jisse woh keh sake - "haan, yahi Nirvan hai."

Lekin jo bhi anubhav aayega, woh anubhav hi hoga.

Shanti aayi - jaani gayi.

Anand aaya - jaana gaya.

Maun aaya - jaana gaya.

Khaliapan aaya - jaana gaya.

Gahri avastha aayi - jaani gayi.

Vishesh anubhuti aayi - jaani gayi.

Jo jaani gayi, woh aane-jaane wali cheez hai. Woh Nirvan ki jhalak ho sakti hai, par Nirvan swayam nahi.

Nirvan kisi anubhav ka naam nahi hai. Nirvan anubhavon ke prati galat pakad ke shaant hone ka naam hai.

Yeh bahut mahatvapurn hai.

Agar saadhak kisi anubhav ko Nirvan maan lega, to woh usi anubhav ko phir pakadne lagega. Woh kahega - "woh avastha phir kyun nahi aayi?" "mera anubhav chala gaya." "meri sadhana gir gayi." "maine kuch kho diya."

Dekho, pakad phir aa gayi.

Nirvan anubhav pakadne mein nahi hai.

Nirvan anubhavon ko aate-jaate jaanne mein hai, bina unse antim pehchaan banaye.

## Nirvan Sutra ko bhi pakad mat banao

Yeh course saadhak ko disha deta hai. Lekin antim adhyay mein yeh spasht hona chahiye ki Nirvan Sutra bhi ek sadhan hai, antim pakad nahi.

Agar koi saadhak kahe - "main Nirvan Sutra ka saadhak hoon, isliye main vishesh hoon," to yeh nayi pehchaan hai.

Agar koi kahe - "maine aathon adhyay padh liye, isliye mujhe gyaan ho gaya," to yeh mann ki jaldi hai.

Agar koi kahe - "ab mujhe sab shabd pata hain, isliye yatra पूरी है," to yeh jaankari

hai, sthirta nahi.

Agar koi kahe - "mere paas sahi shabdkosh hai, isliye main samajh gaya," to shabd sadhan se pehchaan ban gaye.

Shabd bahut zaroori hain. Sahi shabd bhram kam karte hain. Stable definitions saadhak ko disha deti hain. Par shabd satya nahi hain. Shabd satya ki taraf sanket hain.

"Sakshi" shabd Sakshi nahi hai.

"Atma" shabd Atma nahi hai.

"Brahman" shabd Brahman nahi hai.

"Turiya" shabd Turiya nahi hai.

"Nirvan" shabd Nirvan nahi hai.

Shabd darwaze tak laate hain. Bhitari praves maun mein hota hai.

Isliye antim adhyay mein saadhak ko shabdon se bhaagna nahi, par shabdon mein kaid bhi nahi hona hai.

Yeh course ek deepak hai.

Deepak rasta dikhata hai.

Raste par chalna saadhak ko hi hai.

Aur ant mein prakash ko bhi "mera" kehkar pakadna nahi hai.

## **Sadhana ki antim sukshma pakad**

Sadhana khud bhi kabhi-kabhi pakad ban sakti hai.

Pehle vyakti sansar se pehchaan banata tha. Phir sadhana shuru hui. Ab woh sadhana se pehchaan banane lagta hai.

"Main regular abhyas karta hoon."

"Main Sakshi mein rehta hoon."

"Main Neti-neti jaanta hoon."

"Main Mahavakya samajhta hoon."

"Main Turiya ki disha jaanta hoon."

"Main Nirvan ke marg par hoon."

Yeh vaakya upyogi ho sakte hain, agar yeh sirf vyavahar ki bhasha hain. Lekin agar in mein visheshata, garv, comparison ya safe identity jud jaaye, to sadhana bhi boj ban jaati hai.

Nirvan ki disha sadhana ko nakarti nahi. Woh sadhana ko halka karti hai.

Abhyas karo, par abhyas karne wale ki kathor identity mat banao.  
Sakshi-bhav mein lauto, par "main Sakshi hoon" ki image mat banao.  
Neti-neti karo, par doosron ko agyani mat maano.  
Mahavakya suno, par declaration mat banao.  
Turiya ki disha samjho, par kisi avastha ka claim mat karo.  
Nirvan shabd suno, par use nayi achievement mat banao.

Sadhana ka uddeshya saadhak ki image banana nahi hai.  
Sadhana ka uddeshya saadhak ki pakad ko halka karna hai.

## **To kya kuch bhi pakadna nahi hai?**

Mann pooch sakta hai - "agar sab pakad chhodni hai, to kya kuch bhi important nahi?"

Nahi. Aisa samajhna bhi galti hogi.

Jeevan ka mahatva hai.  
Sharir ka dhyan rakhna hai.  
Mann ko samajhna hai.  
Bhavanao ko karuna se dekhna hai.  
Rishton ko prem se nibhana hai.  
Kaam ko imandari se karna hai.  
Sadhana ko sacchai se rakhna hai.  
Shabdon ka samman karna hai.  
Guru-vani ko gambhirta se sunna hai.

Par inmein antim pehchaan nahi banani.

Haath mein phool rakho, mutthi mat banao.  
Rishte nibhao, pakad mat banao.  
Sadhana karo, daava mat banao.  
Gyaan suno, Ahankar mat banao.  
Nirvan ki disha mein chalo, "main Nirvan paa loonga" ki bechaini mat banao.

Jeevan ko chhodna nahi hai.  
Jeevan par lagi jhoothi mohar ko hatana hai.

## **Nirvan ki pehli jhalak**

Nirvan ki jhalak kisi bade chamatkar ki tarah nahi aati. Kabhi-kabhi woh bahut simple moment mein aati hai.

Koi tumhari alochana karta hai. Bhitar chot uthti hai. Pehle tum turant react karte the. Is baar ek pal rukte ho. Chot jaani jaati hai. Anubhavgarta ki bhasha uthti hai - "mujhe chot lagi." Phir tum dekhte ho - Ahankar ise kahani banana chahta hai. Bas ek pal ki jagah banti hai.

Wahi jhalak hai.

Kisi ne tumhari prashansa ki. Mann prasann hua. Pehle tum phool jaate the. Is baar anand aata hai, par bhitar ek shaant dekhna bhi hai - "prashansa ka anubhav ho raha hai." Tum ise pakadkar nayi pehchaan nahi banate.

Wahi jhalak hai.

Dhyan mein shanti nahi aayi. Pehle tum nirash hote the. Is baar dekhte ho - "ashanti jaani ja rahi hai. Sadhana kharab hone ki kahani uth rahi hai." Tum apne aap ko dosh nahi dete.

Wahi jhalak hai.

Kisi rishte mein pakad dikhi. Pehle tum use prem kehte the. Is baar dekh lete ho - "yeh prem mein mila hua bhay hai." Prem thoda saaf hota hai.

Wahi jhalak hai.

Nirvan ki jhalak ka arth yeh nahi ki anubhav samaapt ho gaye. Iska arth hai - anubhavon se bani pehchaan thodi halki hui.

## **Antim freedom: spiritual dharnao se bhi mukt**

Saadhak ko sirf worldly dharnao se mukt nahi hona hai. Use spiritual dharnao ki pakad se bhi mukt hona hai.

"Main saadhak hoon" - yeh bhi antatah ek role hai.

"Main Sakshi hoon" - yeh bhi agar thought ban jaaye, to dekha jayega.

"Maine Neti-neti samajh liya" - yeh bhi identity ban sakti hai.

"Main Brahman hoon" - yeh bhi Ahankar ke haath mein nara ban sakta hai.

"Main Turiya mein hoon" - yeh bhi claim ban sakta hai.

"Mujhe Nirvan chahiye" - yeh bhi Anubhavgarta ki ichchha ban sakti hai.

"Main Nirvan Sutra ka saadhak hoon" - yeh bhi sukshma image ban sakti hai.

Antim freedom mein in sabko dekha jaata hai.

Nakar kar nahi.

Daba kar nahi.

Asamman karke nahi.

Balki sahi jagah dekar.

Ye sab marg ke deepak hain.

Par swayam prakash inse bhi pehle hai.

Saadhak antatah itna halka ho ki shabdon ka upyog kare, par shabdon mein kaid na ho. Sadhana kare, par saadhak ki image mein kaid na ho. Nirvan ki disha mein chale, par Nirvan ki dharna se bhi bandhe nahi.

Yahi antim adhyay ki bhoomi hai.

## Is khand ka saar

Is pratham khand mein humne antim adhyay ki disha rakhi.

Adhyay ka naam **Nirvan ki Jhalak** hai, kyunki yahan baat kisi door ki achievement ki nahi, balki pehchaan ki pakad ke shaant hone ki hai.

Nirvan ka arth hai - galat pehchaan ki aag ka shaant hona.

Yeh jeevan ka ant nahi, pakad ka halka hona hai.

Yeh anubhavon ka samaapt hona nahi, unse chipki pehchaan ka dheela hona hai.

Yeh Anubhavgarta se yuddh nahi, Anubhavgarta ko sahi jagah dena hai.

Yeh Ahankar ki sukshm paraton ko pehchanna hai.

Yeh Nirvan Sutra ki teachings ko bhi pakad na bana lena hai.

Yeh shabdon ka samman karte hue shabdon se aage jaana hai.

Ab agle khand mein hum dekhenge ki Nirvan ki jhalak rozmarra ke jeevan mein kaise dikhai deti hai - reaction mein viram, rishton mein khulapan, karm mein sahajta, dukh mein karuna, aur sadhana mein halkapan.

## Aaj ke liye abhyas

Aaj kisi ek spiritual dharna ko dekho jisse tumhari identity jud sakti hai.

Shayad yeh thought ho:

"Main saadhak hoon."

"Main Sakshi ko samajhta hoon."

"Mujhe gyaan chahiye."

"Maine bahut sadhana ki hai."

"Mujhe Nirvan chahiye."

"Mujhe koi special experience hona chahiye."  
"Main is marg par hoon, isliye main alag hoon."

Us thought ko nakaro mat.  
Use dabao mat.  
Bas dekho.

Phir teen prashn poochho:

**Kya yeh dharna sadhan hai ya identity ban rahi hai?**  
**Kya ismein halkapan hai ya pakad?**  
**Kya main is spiritual "main" ko bhi dekh sakta hoon?**

Phir dheere se kaho:

**"Yeh bhi jaani ja rahi dharna hai.**  
**Iska samman hai, par yeh mera antim swaroop nahi.**  
**Ise bhi halka hone do."**

Yahin se antim freedom ki jhalak shuru hoti hai.

# Dwitiya Khand - Rozmarra mein Nirvan ki Jhalak

---

## Pichhle khand se aage: ab jhalak ko jeevan mein pehchanna hai

Pichhle khand mein humne dekha ki antim adhyay ka bhav koi nayi achievement banana nahi, balki antim pakad ko bhi chhodna hai.

Ab sawal hai: **Nirvan ki jhalak daily life mein kaise dikhti hai?** Kya yeh sirf meditation mein aati hai? Kya sirf gahri shanti mein? Kya sirf kisi special spiritual experience mein?

Nahi.

Nirvan ki jhalak aam jeevan ke chhote palon mein bhi aati hai - ek viram mein, ek dekhne mein, purani reaction na banne mein, kisi kahani ke dheele padne mein, karuna mein, aur us chuppi mein jahan pehle shor hota tha.

## Reaction aur response mein antar

Rozmarra mein pehli jhalak aksar reaction aur response ke beech dikhti hai.

Reaction turant hoti hai. Koi kuch bolta hai aur mann turant jawab banana chahta hai. Koi alochana karta hai aur bhitari defense uthhta hai. Koi ignore karta hai aur chot uthhti hai. Koi prashansa karta hai aur garv uthhta hai.

Reaction mein Anubhavgarta jaldi active hota hai:

"Mujhe chot lagi."

"Mujhe jawab dena hai."

"Mera samman gaya."

"Mujhe sahi siddh hona hai."

Ismein dosh nahi. Sadhana ka arth yeh nahi ki reaction ki urja kabhi nahi uthegi. Sadhana ka arth hai - reaction ko uthhte hue jaan paana.

Nirvan ki jhalak tab aati hai jab reaction aur response ke beech thodi jagah khulti hai.

Koi kathori shabd suna.

Gussa uthhta.

Sharir tight hua.

Mann ne jawab banaya.

Lekin usi pal thoda dekhna hua - "gussa uth raha hai."

Wahi jhalak hai.

Tumne gusse ko dabaya nahi. Apne aap ko dosh nahi diya. Samne wale ko turant shatru nahi banaya. Bas dekha.

Phir jo response aata hai, woh thoda alag hota hai. Usmein clarity ho sakti hai, boundary ho sakti hai, "nahi" bhi ho sakta hai. Par woh andhi reaction nahi rehti.

## **Dukh mein doobna nahi, dukh ko jaana**

Dukh jeevan mein aayega. Rishton mein chot aayegi. Sharir mein peeda ho sakti hai. Mann udaas ho sakta hai. Koi priya door ho sakta hai. Koi prayas fail ho sakta hai.

Nirvan ki jhalak ka arth dukh ka samaapt hona nahi hai.

Dukh uthe to use jagah do. Use spiritual shabdon se cover mat karo. Use yeh kehkar ch-hota mat karo - "yeh to Maya hai." Dukh anubhav mein hai, isliye use imandari se jaanana hai.

Lekin dukh ko antim identity mat banao.

"Dukh uth raha hai."

"Sharir bhaari hai."

"Mann kahani bana raha hai."

"Anubhavkarta keh raha hai - mere saath aisa hua."

"Yeh sab jaana ja raha hai."

Yeh dekhna bahut komal hai. Pehle dukh aata tha aur saadhak dukh ban jaata tha. Ab dukh aata hai aur saadhak dekh sakta hai ki dukh anubhav mein hai. Isi dekhne mein karuna hai.

## **Sukh mein bhi pakad na bane**

Jaisa dukh mein doobna bandhan hai, waisa hi sukh ko pakadna bhi bandhan hai.

Sukh aaya. Prashansa mili. Kaam safal hua. Rishte mein prem mila. Dhyan mein shanti aayi. Yeh sab sundar hai. Inhe nakarna nahi hai. Krtagyata rakho.

Lekin saavdhan raho - sukh se identity mat banao.

Sukh aate hi Anubhavkarta keh sakta hai - "yeh bana rahe."

Ahankar keh sakta hai - "main special hoon."

Mann keh sakta hai - "yeh avastha phir chahiye."

Nirvan ki jhalak sukh mein bhi hoti hai, jab sukh aata hai aur pakda nahi jaata.

"Anand uth raha hai."

"Prashansa mili hai."

"Mann prasann hai."

"Shanti ka anubhav hai."

"Yeh bhi jaana ja raha hai."

Is dekhne se sukh kam nahi hota. Woh aur saaf hota hai. Usmein darr kam hota hai. Sukh aane diya jaata hai, jaane diya jaata hai.

## **Rishton mein Nirvan ki jhalak**

Rishte sadhana ka sabse jeevit maidan hain. Yahan prem bhi hai, expectation bhi. Nikatata bhi hai, chot bhi. Isliye yahan Nirvan ki jhalak bahut zaroori hai.

Jab koi apna tumhari ichchha ke hisab se nahi chalta, pakad dikhai deti hai.

Jab koi tumhe importance nahi deta, recognition ki bhookh uthti hai.

Jab koi alochana karta hai, image ki chinta uthti hai.

Jab koi door hota hai, akelapan ka darr uthta hai.

Pehle saadhak kehta tha - "tumne mujhe dukh diya."

Ab woh dekh sakta hai - "dukh uth raha hai, aur meri expectation bhi dikh rahi hai."

Pehle kehta tha - "tum mere ho, isliye tumhe aisa hona chahiye."

Ab dekh sakta hai - "prem mein control mila hua hai."

Yeh badlav gahra hai.

Nirvan ki jhalak rishton ko thanda nahi karti. Woh prem ko saaf karti hai. Jab pakad kam hoti hai, prem mein jagah aati hai. Jab control kam hota hai, samman badhta hai. Jab Anubhavkarta ki chot dekhi jaati hai, samvad sambhav hota hai.

Prem rahe, pakad halki ho.

Boundary rahe, kathorta kam ho.

Satya rahe, aarop kam ho.

Karuna rahe, self-deception kam ho.

Yahi rishte mein Nirvan ki jhalak hai.

## **Kaam aur karm mein Nirvan ki jhalak**

Kaam jeevan ka hissa hai. Koi parivar chalata hai, koi business, koi naukri, koi seva. Karm se bhaagna freedom nahi.

Lekin karm se identity banana bandhan hai.

Kaam safal hua - "main safal hoon."

Kaam bigda - "main asafal hoon."

Logon ne saraha - "main bada hoon."

Logon ne ignore kiya - "meri value nahi."

Nirvan ki jhalak tab aati hai jab kaam poori imandari se hota hai, par result se final identity nahi banti.

Saadhak mehnat karta hai, plan karta hai, seekhta hai, galti sudharta hai, zimmedari nibhata hai. Lekin bhitari clarity rehti hai - "karm ho raha hai, result aayega, khushi ya nirasha uthegi, par main sirf result nahi hoon."

Isse kaam kamzor nahi hota. Kaam saaf hota hai. Darr kam hota hai, dikhava kam, comparison kam.

Jahan karm mein imandari hai aur result mein halkapan hai - wahan Nirvan ki jhalak hai.

## **Spiritual sadhana mein Nirvan ki jhalak**

Sadhana mein bhi jhalak aati hai, par saadhak aksar use galat samajh leta hai.

Woh sochta hai meditation tabhi achha hai jab shanti mile. Dhyan tabhi successful hai jab thoughts kam hon. Gyaan tabhi hai jab special experience aaye.

Yeh expectation sadhana ko bojh bana deti hai.

Nirvan ki jhalak tab aati hai jab saadhak sadhana ko bhi pakad nahi banata.

Aaj dhyan mein bahut thoughts aaye - woh jaane gaye.

Aaj shanti aayi - woh jaani gayi.

Aaj bechaini thi - woh jaani gayi.

Aaj kuch special nahi hua - "kuch nahi hua" ka thought bhi jaana gaya.

Aaj Ahankar ne kaha "main progress kar raha hoon" - yeh bhi jaana gaya.

Sadhana anubhav collect karne ka tareeka nahi rehti. Woh identity ko halka karne ka marg ban jaati hai.

## **Sadharanata mein lautna**

Nirvan ki jhalak saadhak ko extraordinary banane nahi aati. Woh use sadharanata mein lautati hai.

Ahankar spiritual path par bhi special banna chahta hai. Woh chahta hai uska experience alag ho, uski state high ho, log use pehchanein.

Lekin Nirvan ki disha mein saadhak simple hota jaata hai.

Woh bhojan karta hai jaise bhojan karna hai.

Baat karta hai jaise zaroorat hai.

Kaam karta hai jaise karm hai.

Aaram karta hai jaise sharir ko chahiye.

Sadhana karta hai jaise bhitar lautna hai.

Prem karta hai jaise hriday swabhavik hai.

Dikhava kam hota hai. Announcement kam. Apni state prove karne ki ichchha kam.

Sadharan jeevan chhota nahi hota. Usmein chhupa maun dikhta hai.

## **Karuna gahri hoti hai**

Nirvan ki jhalak ka ek mahatvapurn sanket hai - karuna.

Agar spiritual understanding kisi ko doosron ke dukh se door kar rahi hai, to kuch ad-hoora hai. Agar koi kehta hai - "sab Maya hai, dukh ka kya arth" - to hriday abhi khula nahi. Agar koi kehta hai - "main Sakshi hoon, mujhe farq nahi padta" - to shayad yeh emotional defense hai, Sakshi-bhav nahi.

Sahi samajh karuna ko gahra karti hai.

Jab saadhak apne bhitar dekhta hai ki pakad kaise dukh banati hai, woh doosron ki pakad ko bhi samajhne lagta hai. Jab apne bhitar Ahankar ki paratein dikhti hain, doosron ke Ahankar se ghrina kam hoti hai.

Woh dekhta hai: sab apni pehchaan, darr, kahani aur chah mein uljhe hain. Yeh dekhkar kathorta nahi, karuna aani chahiye.

## **Halkapan: sabse shaant sanket**

Nirvan ki jhalak ka ek saral sanket hai - halkapan.

Yeh sharir ka halkapan nahi, pehchaan ka halkapan hai.

Pehle alochana bahut bhaari lagti thi, ab thodi jagah hai.  
Pehle prashansa se bahut phoolte the, ab krtagyata hai par pakad kam hai.  
Pehle dukh poori kahani ban jaata tha, ab dukh hai par kahani halki hai.  
Pehle sadhana mein experience na ho to nirasha hoti thi, ab dekhna sambhav hai.

Nirvan ki jhalak hamesha kisi badi roshni ya chamatkar ke roop mein nahi aati. Kabhi bas itna hota hai - jo baat pehle bandh deti thi, ab utna nahi baandhti.

Bandhan kam hua - jhalak.  
Pakad dheeli hui - jhalak.  
Daava kam hua - jhalak.  
Saadhak simple hua - jhalak.

## Is khand ka saar

Is khand mein humne dekha ki Nirvan ki jhalak rozmarra ke jeevan mein kaise dikhai deti hai.

Woh reaction aur response ke beech ke viram mein dikhai deti hai.  
Dukh ko dabane ke bajay jaanne mein dikhai deti hai.  
Sukh ko pakadne ke bajay aane-jaane dene mein dikhai deti hai.  
Rishton mein prem aur pakad ke antar ko dekhne mein dikhai deti hai.  
Kaam mein imandari aur result mein halkapan mein dikhai deti hai.  
Sadhana mein anubhav ki bhookh kam hone mein dikhai deti hai.  
Sadharanata, karuna aur bhitari ki narmi mein dikhai deti hai.

Nirvan ki jhalak life se bhaagne mein nahi hai.  
Life ke beech pakad ke shaant hone mein hai.

## Aaj ke liye abhyas

Aaj ek aisi simple event chuno jismein tum usually react karte ho.

Koi alochana, message, delay, disagreement, prashansa, kaam ka result, ya rishte ki chhoti baat.

Us event ke dauran ya baad mein dekhna:

**Meri pehli reaction kya thi?**

**Us reaction ke peeche kaunsi pakad thi - samman, control, prem, safety, recognition ya specialness?**

**Kya reaction aur response ke beech thoda sa space ban sakta tha?**

Phir dheere se kaho:

**"Yahi life ka abhyas hai.**

**Yahin pakad dikhai deti hai.**

**Yahin jhalak sambhav hai."**

Ek pal ka viram bhi chhota nahi hai. Wahi inner freedom ka dwar hai.

# Tritiya Khand - Sansar mein Rehte Hue Swatantrata

## Pichhle khand se aage: jhalak ko jeevan ki disha banana

Pichhle khand mein humne dekha ki Nirvan ki jhalak special meditation state mein hi nahi, daily life ke chhote palon mein bhi aati hai. Ab sawal hai: kya yeh jhalak sirf pal tak rahegi, ya dheere-dheere jeevan ki disha ban sakti hai?

Yahin sansar mein rehte hue swatantrata ki baat aati hai.

Yeh freedom life chhodne ki baat nahi. Yeh bhitari ki pakad dheeli hone ki baat hai. Saadhak wahi jeevan jeeta hai - family, relationships, work, body, mind, society, sadhana - par in sab mein identity halka hoti jaati hai.

Woh sansar mein rehta hai, par sansar pehle jaisi bhaari pakad nahi bana pata.

## Freedom ka arth bhaagna nahi

Kai saadhak freedom ko bhaagne se jod lete hain. Unhe lagta hai - "agar main free ho jaunga to mujhe kisi se koi lena dena nahi rahega."

Yeh samajh adhoori hai.

Life se bhaagna freedom nahi. Kabhi bhaagna bhi nahi pakad ho sakta hai. Saadhak bahar se sansar chhod de, par apni kahani, Ahankar, spiritual image aur experience ki bhookh saath le jaaye - to pakad wahi rahi.

Sansar mein rehna bhi bandhan nahi, agar identity saaf hai.

Bahar life chalegi.

Bhitar pakad dheeli hogi.

Bahar karm hoga.

Bhitar kartapan halka hoga.

Bahar rishte honge.

Bhitar control kam hoga.

Bahar anubhav aayenge.

Bhitar unse chipki pehchaan kam hogi.

Yahi real freedom ki disha hai.

## **Anubhavkarta transparent hone lage**

Is yatra mein Anubhavkarta ko sahi jagah dena zaroori hai.

Anubhavkarta experience ke level par zaroori hai. Jeevan mein anubhav hote hain. Sharir ko dard hota hai, mann mein vichar aate hain, emotions aati hain. Vyavahar mein saadhak kehta hai - "mujhe yeh anubhav hua", "mujhe dukh hai", "mujhe samajh aa rahi hai."

Yeh bhasha chalti rahegi.

Lekin Nirvan ki disha mein Anubhavkarta transparent hone lagta hai.

Pehle woh har anubhav ko pakadkar kahani banata tha.

Ab anubhav hota hai, par kathor identity turant nahi banti.

Pehle "mujhe dukh hua" jaldi "main dukhi vyakti hoon" ban jaata tha.

Ab dukh uthta hai, Anubhavkarta kehta hai "dukh hai", aur Sakshi use jaanta hai.

Pehle "mujhe safalta mili" jaldi "main bada hoon" ban jaata tha.

Ab safalta aati hai, anand hota hai, par dekhna bhi rehta hai.

Yahi transparency hai.

Anubhavkarta mitata nahi. Vyavahar mein rehta hai. Par uski pakad Ahankar mein kathor nahi hoti.

## **Karm chalta hai, kartapan halka hota hai**

Sansar mein rehte hue freedom ka ek bada sanket hai - karm chalta hai, par kartapan halka hota hai.

Karm ka arth hai - jo karna hai, woh karna. Sharir ko bhojan dena, parivar ki dekhbhal, kaam, seva, seekhna, bolna, sunna, decision lena, correction karna.

Kartapan ka arth hai - "sab main kar raha hoon", "mere bina kuch nahi", "result meri identity hai", "credit mujhe chahiye", "kaam bigda to main toot gaya."

Karm zaroori hai.

Kartapan bandhan banta hai.

Nirvan ki disha mein saadhak karm se bhaagta nahi. Woh karm ko clarity se karta hai. Par bhitar dekhte hue: karm bahut se karanon se hota hai - sharir, mann, paristhiti, samay, sahayog, prakriti, samaj. Phir bhi vyavahar mein apna dayitva nibhana hai.

Jahan karm saaf hai aur kartapan halka hai, wahan Nirvan ki jhalak life mein utar rahi hai.

## **Rishte rehte hain, pakad kam hoti hai**

Rishton mein freedom bahut gahri baat hai.

Freedom ka arth yeh nahi ki saadhak prem karna band kar de. Freedom ka arth hai - prem rahe, pakad kam ho. Nikatata rahe, control kam ho. Sunna rahe, apni kahani thopna kam ho. Boundary rahe, kathorta kam ho.

Jab saadhak kisi se prem karta hai, pehle prem mein expectation mili rehti hai: "tum mujhe samjho", "tum meri ichchha ke anusaar chalo", "tum mujhe kabhi chot na do."

Yeh natural human level hai. Isse dosh mat do. Isse dekho.

Nirvan ki disha mein saadhak prem ko saaf karna seekhta hai.

Woh dekhta hai - "yeh prem hai, aur ismein safety ki chah bhi mili hai."

Woh dekhta hai - "yeh concern hai, par ismein control bhi mila hai."

Woh dekhta hai - "yeh closeness hai, par kho dene ka darr bhi hai."

Dekhna hi prem ko shuddh karta hai.

## **Dukh ke saath paripakvata**

Freedom ka arth yeh nahi ki dukh kabhi nahi aayega. Dukh aayega. Loss hoga. Sharir beemar ho sakta hai. Rishte badlenge. Plans tootenge. Mann bhaari hoga.

Nirvan ki jhalak dukh ko mitati nahi, dukh ke saath paripakvata laati hai.

Pehle dukh aate hi saadhak poori tarah dukh ban jaata tha. Ab dukh aata hai aur saadhak dheere se dekh sakta hai - "dukh hai, sharir bhaari hai, mann kahani bana raha hai, Anubhavkarta ise mera keh raha hai, yeh sab jaana ja raha hai."

Dukh ko chhota karke mat kaho - "kuch nahi hua."

Dukh ko spiritual sentences se cover mat karo.

Dukh ko kahani banakar hamesha pakde bhi mat raho.

Dukh ko jaano.  
Jagah do.  
Seekho.  
Usmein Sakshi ki taraf lauto.

Jahan dukh imandari se jaana jaata hai aur phir bhi final identity nahi banta, wahan gahri freedom ki jhalak hai.

## **Sukh ke saath paripakvata**

Dukh ke saath maturity jitni zaroori hai, sukh ke saath bhi utni hi zaroori hai.

Sukh aata hai to saadhak use pakadna chahta hai - "yeh bana rahe", "yeh phir aaye", "yahi meri state ho", "yahi meri sadhana ka proof ho."

Yahin sukh bhi bandhan ban jaata hai.

Nirvan ki disha mein sukh ko bhi swachhhta se experience kiya jaata hai.

Anand aaye, welcome.  
Prem aaye, gratitude.  
Shanti aaye, rest.  
Safalta aaye, prasannata.

Par pakad kam hai.

Saadhak dekhta hai - "yeh bhi anubhav hai. Sundar hai. Aayega aur jaayega. Ise pakadna nahi."

Tab sukh bhi sadhana ka dwar ban jaata hai.

## **Sadhana sahaj hone lagti hai**

Jab Nirvan ki jhalak life mein utarti hai, sadhana hard project nahi rehti. Woh life ki sahaj disha banne lagti hai.

Chalte hue dekhna.  
Bolte hue sunna.  
Dukh mein karuna rakhna.  
Sukh mein pakad na banana.  
Karm mein clarity rakhna.  
Ahankar ki layer dikhe to muskurakar dekhna.  
Sakshi-bhav mein lautna.

Neti-neti ko komalta se jeena.  
Mahavakya ko announcement nahi, remembrance banana.  
Turiya ko experience nahi, aadhar ki disha samajhna.  
Yeh sab life ban jaata hai.

## **Freedom mein vinamrata aur karuna**

Freedom ka ek zaroori phal hai - vinamrata.

Agar samajh saadhak ko hard bana rahi hai, kuch adhoora hai. Agar woh doosron ko ch-hota samajhne laga hai - "mujhe samajh aa gaya, unhe nahi" - to Ahankar ki sukshm parat bachi hai.

Sachi jhalak vinamrata laati hai.

Saadhak dekhta hai ki body-mind identification kitni purani hai. Bhool baar-baar uth sakti hai. Doosron ki uljhan ko dekhkar karuna hoti hai, upahas nahi.

Vinamrata ke saath karuna aati hai. Karuna ka arth wrong ko right maana nahi. Karuna ka arth hai - vyakti ki uljhan ko samajhte hue bhi satya se na hatna.

Nirvan ki jhalak mein clarity aur karuna saath chalti hain.

## **Sadharan jeevan mein freedom**

Nirvan ki jhalak saadhak ko life se alag nahi karti. Woh use ordinary life mein aur poori tarah present karti hai.

Khana khana bhi sadhana ho sakta hai.  
Kisi ko dhyan se sunna bhi sadhana ho sakta hai.  
Galti accept karna bhi sadhana ho sakta hai.  
Maafi maangna bhi sadhana ho sakta hai.  
Boundary rakhna bhi sadhana ho sakta hai.  
Kaam imandari se karna bhi sadhana ho sakta hai.  
Thake sharir ko rest dena bhi sadhana ho sakta hai.

Jab identity halki hoti hai, chhote kaamon mein bhi ek shaant garima aa jaati hai.

Nirvan door nahi.

Nirvan ki jhalak isi pal mein ho sakti hai - jab pakad thodi dheeli ho jaaye.

## Is khand ka saar

Is khand mein humne sansar mein rehte hue freedom ko samjha.

Freedom bhaagna nahi hai.

Freedom bhitari ki pakad ka halka hona hai.

Anubhavgarta vyavahar mein rehta hai, par transparent hota hai.

Karm chalta hai, par kartapan halka hota hai.

Rishte rehte hain, par pakad kam hoti hai.

Dukh aata hai, par final identity nahi banta.

Sukh aata hai, par pakda nahi jaata.

Sadhana sahaj hoti hai.

Vinamrata aur karuna gahri hoti hai.

Ordinary life hi sadhana ka maidan ban jaati hai.

Yahi sansar mein rehte hue Nirvan ki jhalak hai.

### Aaj ke liye abhyas

Aaj apne jeevan ke kisi ek normal karm ko chuno - cooking, kaam, phone par baat, kisi ko sunna, vehicle chalana, likhna, padhna, ya koi chhoti responsibility.

Us karm ke dauran teen baatein dekho:

**Karm ho raha hai.**

**Anubhavgarta keh raha hai - main kar raha hoon.**

**Kya kartapan thoda halka ho sakta hai?**

Phir karm poori imandari se karo.

Dheema hone ki zaroorat nahi. Special dikhne ki zaroorat nahi. Bas bhitari dekho:

**"Karm chal raha hai.**

**Yeh jaana ja raha hai.**

**Main sirf karta ki kahani nahi hoon."**

Jahan karm rahe aur pakad halki ho - wahi sansar mein freedom ki shuruaat hai.

# Chaturth Khand - Nirvan Sutra ke Paar

---

## Pichhle khand se aage: ab poori yatra ko sametna hai

Pichhle khand mein humne dekha ki Nirvan ki jhalak sansar se bhaagne mein nahi. Woh sansar mein rehte hue bhitari ki pakad ke halka hone mein hai.

Ab yeh antim khand hai.

Yahan humein sirf ek adhyay nahi, poori yatra ka samapan dekhna hai.

Nirvan Sutra ne saadhak ko ek kram se chalaya. Pehle usne swayam ko dekha. Phir jagat ko dekha. Phir Sakshi-bhav ko life mein lana seekha. Phir Ahankar ki paratein dekhi. Phir Neti-neti se pehchaan halka ki. Phir Mahavakyas se satya ki disha suni. Phir Turiya ke madhyam se avasthaon ka aadhar samjha. Aur ab, antim adhyay mein, Nirvan ki jhalak ko jeevan mein pehchanna seekha.

Lekin ab ek sukshma saavdhani hai.

Saadhak is poori yatra ko bhi identity na bana le.

"Maine Nirvan Sutra complete kar liya."

"Main ab aage badh gaya hoon."

"Main special saadhak hoon."

"Main samajh gaya."

"Main is marg ka hoon."

"Mere paas sahi gyaan hai."

Agar aisa hua, to yatra ne nayi layer bana di. Isliye antim khand ka bhav hai - jo seekha hai use jeevan mein utaro, par use nayi identity mat banao.

Nirvan Sutra ka uddeshya tumhe "Nirvan Sutra ka expert" banana nahi. Iska uddeshya tumhe us bhitari ki saralta ki taraf lautana hai jahan pakad dheeli ho, drishti saaf ho, aur life awareness mein jiyi jaaye.

## Aath adhyayon ki poori dhara

Ab poori yatra ko shaant hokar dekho.

**Adhyay 1 - Swayam ki Khoj** mein saadhak ne poochha: "Main kaun hoon?" Sharir dekha, mann dekha, Anubhavgarta aur Sakshi ka antar samajhna shuru kiya. Pehli baar sanket mila ki woh sirf body-mind nahi hai.

**Adhyay 2 - Maya aur Jagat** mein saadhak ne bahar dekha. Jagat anubhav mein real lagta hai, vyavahar mein important hai, par antim satya nahi. Maya ek satya ko anek naam-roop mein dikhati hai. Jagat ko nakarna nahi, sahi drishti se dekhna hai.

**Adhyay 3 - Sakshi Bhav Vistar se** mein saadhak ne dekha ki Sakshi-bhav sirf meditation mein nahi. Rishte, kaam, success-failure, emotions - har jagah yaad rakha ja sakta hai.

**Adhyay 4 - Ahankar ki Paratein** mein dekha ki Ahankar sirf ghamand nahi. Woh body-mind, role, image, story, spiritual experience aur "main jaanta hoon" tak se identity bana sakta hai. Ahankar se ladna nahi, use dekhna hai.

**Adhyay 5 - Neti-neti** mein samjha ki jo badalta hai, jo jaana jaata hai, woh final "main" nahi ho sakta. Sharir nahi, mann nahi, emotion nahi, role nahi, story nahi, spiritual identity bhi nahi. Yeh nakar nahi, pehchaan ki safai hai.

**Adhyay 6 - Mahavakya** mein suna - Tat Tvam Asi, Aham Brahmasmi, Ayam Atma Brahma, Prajnanam Brahma. Inhone bataya ki Sakshi, Atma, Chetana aur Brahman alag vastu nahi, ek satya ki taraf sanket hain.

**Adhyay 7 - Turiya Avastha** mein saadhak ne waking, dream aur deep sleep ko dekha. Turiya koi chauthi aane-jaane wali avastha nahi, teenon ka aadhar hai. Agyeya ki sukshmata bhi samjhi - jise mann vastu ki tarah nahi pakad sakta.

**Adhyay 8 - Nirvan ki Jhalak** mein dekha ki Nirvan door ki achievement nahi. Galat pakad ke shaant hone ki jhalak hai. Life chhodna nahi, life ke beech halka hona hai.

Yahi Nirvan Sutra ki dhara hai.

## **Antim pakad: "mujhe mukt hona hai"**

Ab ek bahut sukshm baat dekho.

Saadhak worldly pakad se thoda mukt hota hai. Phir spiritual path ki pakad mein aa sakta hai. Phir kehta hai - "mujhe mukt hona hai."

Shuruaat mein yeh vaakya upyogi hai. Khoj shuru hoti hai. Sadhana shuru hoti hai. Par ek samay ke baad "mujhe mukt hona hai" bhi pakad ban sakta hai.

Kaun mukt hona chahta hai?

Agar Anubhavkarta keh raha hai - "mujhe koi mahaan experience chahiye" - dekho.

Agar Ahankar keh raha hai - "main mukt hokar special banunga" - dekho.

Agar mann keh raha hai - "mukti mil jaaye to meri story poori ho jayegi" - dekho.

Agar spiritual image keh rahi hai - "mujhe mukt maana jaaye" - dekho.

Nirvan ki disha mein yeh bhi dekha jaayega.

Mukti ki chah ko dabana nahi. Shuruaat mein woh pavitra ho sakti hai. Par ant mein woh chah bhi halki honi padegi. Kyunki jis satya ki khoj hai, woh future object nahi. Woh abhi jaanne ki disha mein hai.

## **Nirvan Sutra complete karna ant nahi**

Is adhyay ke baad course ki pehli badi yatra पूरी होती है। लेकिन यह अंत नहीं है।

Do galtiyan ho sakti hain.

Pehli - saadhak soche ki sab padh liya, isliye sab complete ho gaya.

Dusri - saadhak soche ki abhi bahut baaki hai, isliye nirash ho jaaye.

Dono se bachna hai.

Padhna zaroori tha. Samajhna zaroori tha. Abhyas zaroori tha. Shabdon ne disha di. Lekin ab asli kaam hai - life mein dekhna.

Jab koi alochana kare, tab Nirvan Sutra jeevit hona chahiye.

Jab dukh uthe, tab Sakshi-bhav yaad aana chahiye.

Jab safalta mile, tab Ahankar ki layer dikhni chahiye.

Jab sadhana mein experience aaye, tab Anubhavgarta ko sahi jagah deni chahiye.

Jab sansar bhaari lage, tab Maya aur Turiya ki disha yaad aani chahiye.

Jab "main jaanta hoon" uthe, tab Neti-neti komalta se aani chahiye.

Jab koi dukhi mile, tab karuna jagni chahiye.

Agar yeh life mein nahi utra, to shabd abhi satah par hain. Agar yeh chhote palon mein utarne laga, to yatra jeevit hai.

## **Pariksha: badha nahi, darpan**

Course ke baad jo review ya pariksha aayegi, use darr ki tarah mat dekhna. Woh dand nahi hai. Woh agle dwar ki tarah hai.

Uska uddeshya sirf yeh dekhna nahi ki shabd yaad hain ya nahi. Uddeshya yeh bhi hai ki disha samajh aayi ya nahi. Sakshi aur Anubhavgarta ka antar clear hai? Maya aur Avidya ka difference samjha hai? Ahankar ko sirf ghamand nahi maana? Neti-neti ko life-denial nahi samjha? Mahavakya ko ego ka claim nahi banaya? Turiya ko experience-state nahi samjha? Nirvan ko achievement nahi, pakad ke shaant hone ki disha maana?

Pariksha tumhari yatra ka darpan hogi.

Kuch clear hai - achha.

Kuch unclear hai - yeh bhi achha, ab dekhne ka avsar hai.

Koi answer galat nikle - failure nahi, learning ka signal hai.

Guru ki review ka arth bhi direction hai, punishment nahi.

Private group mein pravesha ka arth bhi sangati hai, specialness nahi.

## **Group: identity nahi, sangati**

Agar saadhak aage private group mein pravesha karta hai, ek aur saavdhani rakhni hai.

Group se identity mat banana.

"Main andar hoon, baaki bahar" - yeh Ahankar hai.

"Maine pariksha pass ki, isliye main aage hoon" - yeh Ahankar hai.

"Main special saadhak hoon" - yeh bhi identity hai.

Group ka sahi arth hai - sangati. Aise logon ke saath rehna jo isi disha mein dekhna chahte hain. Wahan sahayata hai, samvad hai, abhyas hai, prashn hain, ek doosre ko yaad dilana hai.

Sangati ka uddeshya jagna hai. Group-image banana nahi.

Agar group tumhe zyada vinamr, imandar, aware aur karunamay banata hai, to disha sahi hai. Agar group tumhe special, alag, superior feel karane lage, turant dekhna - Ahankar ne naya vastra pehen liya.

## **Aage ki sadhana kaisi ho?**

Ab jab aath adhyayon ki yatra poori ho rahi hai, saadhak pooch sakta hai - aage kya karna hai?

Kuch bahut complex nahi.

Baar-baar dekhna hai.

Baar-baar lautna hai.

Baar-baar halka hona hai.

Subah uthho - dekho, waking state jaani ja rahi hai.

Din mein kaam karo - dekho, karm ho raha hai, kartapan uth raha hai.

Rishton mein baat karo - dekho, sunna ho raha hai ya reaction?

Dukh uthe - dekho, kya kahani ban rahi hai?

Sukh aaye - dekho, kya pakad ban rahi hai?

Sadhana karo - dekho, kya experience ki bhookh hai?  
Shabd padho - dekho, kya shabdon se identity ban rahi hai?  
Maun mile - dekho, kya maun ko pakda ja raha hai?

Yeh sab ordinary hai. Par ordinary mein hi depth chhupi hai.

Nirvan extraordinary life ka naam nahi.  
Nirvan ordinary life mein galat pakad ke shaant hone ki disha hai.

## **Antim baat: gyaan ko prem se jodo**

Agar is poori yatra se hriday komal nahi hua, to kuch adhoora hai.

Gyaan sirf dry thought nahi hona chahiye. Sakshi-bhav sirf alag khade hokar dekhna nahi hona chahiye. Neti-neti sirf nishedh nahi hona chahiye. Turiya sirf theory nahi hona chahiye. Nirvan sirf shabd nahi hona chahiye.

In sabka phal hona chahiye - clarity aur karuna.

Apne prati karuna.  
Doosron ke prati karuna.  
Sharir ke prati sensitivity.  
Mann ke prati dhairya.  
Bhavnayon ke prati imandari.  
Rishton mein sunna.  
Karm mein satya.  
Sadhana mein vinamrata.

Agar samajh tumhe hard bana rahi hai, rukkar dekho.  
Agar clarity tumhe doosron se upar dikha rahi hai, rukkar dekho.  
Agar Sakshi-bhav tumhe insensitive bana raha hai, rukkar dekho.  
Agar gyaan prem se alag ho raha hai, rukkar dekho.

Sachi disha mein gyaan aur prem alag nahi chalte.

## **Poore Nirvan Sutra ka antim saar**

Poore Nirvan Sutra ko ek saral dhara mein kahen, to woh yeh hai:

Tum sharir nahi, par sharir ka samman karo.  
Tum mann nahi, par mann ko samjho.  
Tum Anubhavkarta se poori tarah seemit nahi, par Anubhavkarta ko vyavahar mein sahi jagah do.

Tum Ahankar nahi, par Ahankar se yuddh mat karo - use dekho.  
Jagat Maya hai, par jagat ko nakaro mat - sahi drishti se jiyo.  
Neti-neti karo, par life se bhaago mat.  
Mahavakya suno, par unhe Ahankar ka claim mat banao.  
Turiya ko pehchano, par use experience ki vastu mat banao.  
Nirvan ki jhalak dekho, par use achievement mat banao.

Aur ant mein:

Jo kuch jaana ja raha hai, usse pehchaan halki karo.  
Jo jaan raha hai, use vastu ki tarah pakadne ki koshish mat karo.  
Jeevan mein raho.  
Prem se raho.  
Satya se raho.  
Halke raho.

Yahi Nirvan Sutra ka hriday hai.

## **Antim aashirvachan**

Priya saadhak, yeh yatra race nahi hai. Jaldi se clarity nahi aati. Yahan dheere chalna hi sahi chalna hai.

Kai baar tum bhoologe.  
Kai baar reaction hogi.  
Kai baar Ahankar uthega.  
Kai baar Anubhavkarta dukh ki kahani banayega.  
Kai baar sadhana bhi bojh lagegi.  
Kai baar "mujhe kuch samajh nahi aaya" jaisa lagega.

In sabko bhi jaana hai.

Bhool bhi jaani ja rahi hai.  
Reaction bhi jaani ja rahi hai.  
Ahankar bhi jaani ja rahi parat hai.  
Uljhan bhi anubhav hai.  
"Mujhe nahi pata" bhi jaana ja raha hai.

Isliye nirash mat hona.

Har baar lautna hai.

Har baar thoda halka hona hai.

Har baar satya ko jeevan mein thodi aur jagah deni hai.

Nirvan koi door khada prize nahi hai.

Nirvan us pal ki jhalak hai jahan pakad thodi shaant hoti hai, jahan "main" ki kathorta thodi pighalti hai, jahan life vaisi hi rehti hai par bhitari dekhne ki roshni jalti hai.

Yatra jaari rahegi.

Par ab tum andhere mein akela nahi chal rahe.

Tumhare bhitari dekhne ka deepak jal chuka hai.

Use pakdo mat.

Use apna daava mat banao.

Bas uski roshni mein jeena seekho.

## Is hafte ke liye antim abhyas

Agle saat din tak poore Nirvan Sutra ko life mein ek saral abhyas ki tarah rakho.

Din mein ek baar rukkar poochho:

### **Aaj maine kis se pehchaan banayi?**

Sharir se?

Mann se?

Bhavna se?

Role se?

Kahani se?

Ahankar se?

Spiritual samajh se?

Nirvan ki dharna se?

Phir doosra prashn poochho:

### **Kya main ise dekh sakta hoon, bina ise dabaye aur bina ise apna antim swaroop banaye?**

Phir teesra prashn poochho:

### **Aaj kahan thoda halkapan aaya?**

Bada answer mat khojo. Chhote pal dekho.

Ek viram.  
Ek imandar dekhna.  
Ek kam reaction.  
Ek karuna.  
Ek pakad ka dheela hona.  
Ek ordinary moment mein maun ki halki jhalak.

Yahi kaafi hai.

Ant mein dheere se kaho:

**"Jo jaana ja raha hai, woh main nahi.**

**Jo jaan raha hai, use pakadna nahi.**

**Jeevan ko prem se jeena hai.**

**Pakad ko halka hone dena hai."**

Yahi Nirvan Sutra ki poornata hai.

Yahi Nirvan ki jhalak hai.

Yahi aage ki yatra ka prarambh hai.
